### **Prior Art of Record**

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Ying et al disclose a reason to try ursolic acid (UA) to increase elastin, but does not render the instant method obvious without additional information. Bombardelli discloses a complex of a liposome with a flavonoid, but does not render the instant method obvious without additional information. 6,207,711 (Matsumoto et al) discloses a method of using UA derivatives to inhibit photoaging and ameliorate wrinkled skin, but does not render the instant method obvious without additional information.
